

Managed Care Pharmacy Residency Post-Graduate Year 1

Gain education, experience and skills to be eligible for board certification and post-graduate year 2 pharmacy residency training in a unique learning opportunity with experts in delivering quality pharmacy education and managed healthcare.

In this one-year residency with Chapman University, SCAN Health Plan and Providence St. Joseph Heritage Health, you will have the opportunity to gain a thorough understanding and demonstrate expertise in senior-

focused managed care pharmacy practice and management. Combining instruction, mentoring and hands-on skills development, the program provides a broad range of experiences to achieve the core managed care competencies: patient care; advancing practice and improving senior care; leadership and management; and teaching, education and dissemination of knowledge.

PROGRAM EXPERIENCES

- Formulary management, utilization management, medication therapy management and health plan management
- Pharmacy and Therapeutics (P&T) Committees and interdisciplinary teams
- Coverage determinations, appeals and grievances
- Pharmacy administration, trends and analysis
- Managed care clinical programs development and implementation
- Quality measures, such as HEDIS and Medicare 5-Star
- Medicare Part D regulations
- Teaching skills professional development program
- Accountable Care Organization (ACO)/ Patient-Centered Medical Home (PCMH)
- Chronic disease management
- Population health

SPECIFIC TASKS

- Provide clinical pharmacist services within SCAN Health Plan
- Provide direct ambulatory and population-based patient care at Providence St. Joseph Heritage Health
- Earn a teaching skills certificate from Chapman University
- Conduct a yearlong outcomes-based research project

TO QUALIFY, you must have the following:

- A Doctor of Pharmacy Degree from a School of Pharmacy accredited by the Accreditation Council for Pharmacy Education (ACPE)
- A pharmacist license, valid in California (or are capable of obtaining licensure in the state)
- A current GPA of at least 3.0 on the standardized GPA scale, or a "Pass" grade in a "Pass/Fail" program
- Strong communication and interpersonal skills and a commitment to teamwork, as well as the ability to interact with others in various environments
- The ability to provide clinical and classroom instruction to student pharmacists
- A completed application, submitted along with three letters of recommendation, current pharmacy college transcripts, a letter of intent and your Curriculum Vitae

This Managed Care Residency is a non-exempt staff position. The position reports to the:

- ▶ *Residency Program Director (Department of Pharmacy Practice Chair), Chapman University*
- ▶ *Residency Site Coordinator, SCAN Health Plan*
- ▶ *Residency Site Coordinator, Providence St. Joseph Heritage Health*
