Medication:	Diagnosis:
-------------	------------

This drug may be covered under Medicare Part B or Part D depending upon the circumstances. Information may need to be submitted describing the use and setting of the drug to make the determination.

1. Is vaccine administered to a member who is at high or intermediate risk of contracting hepatitis B?
2. Is vaccine administered to a member who is at low risk of contracting hepatitis B?
3. Are there any other comments, diagnoses, symptoms, and/or any other information the caller feels is important to this review?

Notice: **Failure to complete this form in its entirety may result in delayed processing or an adverse determination for insufficient information.** Our response time for prescription drug coverage requests is 72 hours. View our formulary and Prior Authorization forms online at <http://www.scanhealthplan.com>.
