The SCAN Story

SCAN has been keeping seniors healthy and independent for 45 years. With quality, low-cost benefits—plus award-winning service when you need it—you can count on SCAN to help you stay healthy, vibrant and connected for years to come.

Solutions for Independence

SCAN knows that sometimes our members need a little more care to stay independent in their own homes for as long as possible, so we've included these special benefits for \$0 in your plan to help you do just that.

Emergency Response System* 1 2

Personal emergency response system that enables members to remain at home, living safely and independently.

- \$0 (includes installation and monthly fees)

Solutions for Togetherness

Life takes a toll on both mental and physical health. That's why SCAN is pleased to offer solutions that will help you get connected and improve your health.

SCAN Learning Communities 1 2

Learning Communities brings like-minded people together for in-person health education classes to maintain good mental and physical health.

Headspace 1 2

Headspace is a mindfulness and meditation app that can help counteract the negative effects of loneliness, stress and anxiety and guide you to better health.

Solutions for Caregivers

SCAN understands the critical role caregivers play — and the challenges they face. Solutions for Caregivers is for SCAN members who are caregivers themselves, or for the unpaid caregiver to a SCAN member.

Care Coordination Sessions 1 2

This series of classes provides information, skills training and support for caregivers.

Home-delivered Meals* 1 2

Up to 28 days of home-delivered meals are available to members with chronic conditions.

YOU CAN FIND US IN:

SCAN Balance (HMO SNP) and SCAN Heart First (HMO SNP) are HMO plans with Medicare contracts. Enrollment in SCAN Health Plan depends on contract renewal. You must continue to pay your Medicare Part B premium.

Insulin copayments listed in the Prescription Drug Coverage Table apply to members who do not receive “Extra Help” to pay for their prescription drugs. Your insulin copayment may change when you enter Catastrophic Coverage. To find out which insulins are covered by SCAN, review the most recent Drug List we provided electronically. Covered products include all insulin pens and vials listed under the class name “Insulins” in our Drug List. If you have questions about the Drug List, you can also call Member Services. Prescription copay/coinsurance may vary by plan, county, pharmacy type (e.g., Preferred or Standard, etc.), day supply, Part D benefit phase, or in members who receive “Extra Help.” You can fill your prescriptions at any of our network pharmacies, but you may pay less at a Preferred pharmacy. Check your Evidence of Coverage or call Member Services for details (phone numbers for Member Services are printed on the back cover of your Evidence of Coverage).

You can get prescription drugs shipped to your home through our network mail-order delivery program. Express Scripts PharmacySM is our Preferred mail-order pharmacy. While you can fill your prescription medications at any of our network mail-order pharmacies, you may pay less at the Preferred mail-order pharmacy. Typically, you should expect to receive your prescription drugs within 14 days from the time that Express Scripts mail-order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact SCAN Health Plan’s Member Services. For your mail-order prescriptions, you have the option to sign up for an automatic refill program by contacting Express Scripts Pharmacy at 1-866-553-4125, 24 hours a day, 7 days a week. TTY users call 711. You may opt out of automatic deliveries at any time.
