### **B1. What prescription drugs are on the *List of Covered Drugs (Formulary)*? (We call the *List of Covered Drugs (Formulary)* the “Drug List” for short.)**

The drugs on the *List of Covered Drugs (Formulary)* that starts on page 29 are the drugs covered by SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP). A formulary is a list of covered drugs selected by SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) in consultation with a team of health care providers, which represents the prescription therapies believed to be a necessary part of a quality treatment program. The drugs are available at pharmacies within our network. A pharmacy is in our network if we have an agreement with them to work with us and provide you services. We refer to these pharmacies as “network pharmacies.” The prescription drugs included on this *List of Covered Drugs (Formulary)* are covered

If you have questions, please call SCAN Connections (HMO SNP) and SCAN Connections at Home (HMO SNP) at 1-866-722-6725. (TTY users should call 711), 7 days a week from October 1 to March 31. From April 1 to September 30, hours are 8 a.m. to 8 p.m., Monday through Friday.

by SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP). Select prescription and over-the-counter drugs, which are not on the Drug List, are covered for you under your Medi-Cal (Medicaid) benefits with your doctor's prescription at our network pharmacies. Please contact Member Services (phone number is at the bottom of the page or visit our website ([www.scanhealthplan.com](http://www.scanhealthplan.com)) for additional information regarding which drugs are covered.

- SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) will generally cover the drugs listed on the Drug List as long as:
  - your doctor or other prescriber says you need them to get better or stay healthy,
  - SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) agrees that the drug is medically necessary for you,
  - you fill the prescription at a SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) network pharmacy, and
  - other plan rules are followed.
  - for more information on how to fill your prescriptions, please review your Evidence of Coverage.
- In some cases, you have to do something before you can get a drug. Refer to question B4 for more information.

You can also find an up-to-date list of drugs that we cover on our website at [www.scanhealthplan.com](http://www.scanhealthplan.com) or call Member Services at 1-866-722-6725. ---

## B2. Does the Drug List ever change?

Yes, and SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) must follow Medicare rules when making changes. Most changes in drug coverage happen on January 1, but we may add or remove drugs on the Drug List during the year.

We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior authorization for a drug. (Prior authorization is permission from SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) before you can get a drug.)
- Add or change the amount of a drug you can get (called quantity limits).

For more information on these drug rules, refer to question B4.

---

If you have questions, please call SCAN Connections (HMO SNP) and SCAN Connections at Home (HMO SNP) at 1-866-722-6725. (TTY users should call 711), 7 days a week from October 1 to March 31. From April 1 to September 30, hours are 8 a.m. to 8 p.m., Monday through Friday.

The call is free. For more information, visit [www.scanhealthplan.com](http://www.scanhealthplan.com).

If you are taking a drug that was covered at the **beginning** of the year, we will generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the Drug List now, **or**
- we learn that a drug is not safe, **or**
- a drug is removed from the market.

Questions B3 and B6 below have more information on what happens when the Drug List changes.

The enclosed formulary is current as of March, 2024. To get updated information about the drugs covered by SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP), please contact us. Our contact information appears at the bottom of the page.

- You can always check SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP)'s up-to-date Drug List online at [www.scanhealthplan.com](http://www.scanhealthplan.com).
- You can also call Member Services at 1-866-722-6725. (TTY users should call 711) 8 a.m. to 8 p.m., 7 days a week from October 1 to March 31. From April 1 to September 30, hours are 8 a.m. to 8 p.m., Monday through Friday (messages received on holidays and outside of our business hours will be returned within one business day) to check the current Drug List.

---

### B3. What happens when there is a change to the Drug List?

Some changes to the Drug List will happen **immediately**. For example:

**A new generic drug becomes available.** Sometimes, a new generic drug comes on the market that works as well as a brand name drug on the Drug List now. When that happens, we may remove the brand name drug, and add the new generic drug, but your cost for the new drug will remain \$0. When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.

- We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.
- You or your provider can ask for an exception from these changes. We will send you a notice with the steps you can take to ask for an exception. Please refer to questions B10-B12 for more information on exceptions.

**A drug is taken off the market.** If the Food and Drug Administration (FDA) says a drug you are taking is not safe or the drug's manufacturer takes a drug off the market, we will immediately take it off the Drug List and provide notice to members who take the drug. After you are notified, contact your doctor or other prescriber to discuss other options.

---

**If you have questions,** please call SCAN Connections (HMO SNP) and SCAN Connections at Home (HMO SNP) at 1-866-722-6725. (TTY users should call 711), 7 days a week from October 1 to March 31. From April 1 to September 30, hours are 8 a.m. to 8 p.m., Monday through Friday.

The call is free. **For more information**, visit [www.scanhealthplan.com](http://www.scanhealthplan.com).

**We may make other changes that affect the drugs you take.** We will tell you in advance about these other changes to the Drug List. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We add a generic drug that is not new to the market **and**
  - Replace a brand name drug currently on the Drug List **or**
  - Change the coverage rules or limits for the brand name drug.

When these changes happen, we will:

- Notify affected members of the change at least 30 days before we make the change to the Drug List **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. They can help you decide:

- If there is a similar drug on the Drug List you can take instead **or**
- Whether to ask for an exception from these changes. To learn more about exceptions, refer to questions B10-B12.

---

#### **B4. Are there any restrictions or limits on drug coverage or any required actions to take to get certain drugs?**

Yes, some drugs have coverage rules or have limits on the amount you can get. In some cases you or your doctor or other prescriber must do something before you can get the drug. For example:

- **Prior authorization:** For some drugs, you or your doctor or other prescriber must get authorization from SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) before you fill your prescription. Prior authorization is different from a referral. SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) may not cover the drug if you don't get prior authorization.
- **Quantity limits:** Sometimes SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) limits the amount of a drug you can get. For example, SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) provides 30 tablets per prescription for BELSOMRA. This may be in addition to a standard one-month or three-month supply.

You can find out if your drug has any additional requirements or limits by looking in the formulary that begins on page 29. You can also get more information about the restrictions applied to specific

covered drugs by visiting our website at [www.scanhealthplan.com](http://www.scanhealthplan.com). We have posted online a document that explain our prior authorization restriction. You may also ask us to send you a copy.

**You can ask for an exception from these restrictions or limits.** This will give you time to talk to your doctor or other prescriber. They can help you decide if there is a similar drug on the Drug List you can take instead or whether to ask for an exception. Refer to questions B10-B12 for more information about exceptions.

---

## **B5. How will I know if the drug I want has limits or if there are required actions to take to get the drug?**

The table in the Drug List that's on page 29 has a column labeled "Requirements/Limits."

---

## **B6. What happens if SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) changes their rules about how they cover some drugs (for example, prior authorization, or quantity limits restrictions)?**

In some cases, we will tell you in advance if we add or change prior authorization, or quantity limits restrictions on a drug. Refer to question B3 for more information about this advance notice and situations where we may not be able to tell you in advance when our rules about drugs on the Drug List change.

---

## **B7. How can I find a drug on the Drug List?**

There are two ways to find a drug:

- You can search alphabetically, **or**
- You can search by medical condition.

To search **alphabetically**, look for your drug in the Index section that begins on page 65. The Index provides an alphabetical list of all of the drugs included in this document. Both brand-name drugs and generic drugs are listed in the Index. Look in the Index and find your drug. Next to your drug, you will see the page number where you can find coverage information. Turn to the page listed in the Index and find the name of your drug in the first column of the list.

To search **by medical condition**, find the section labeled "Formulary Drugs Arranged by Therapeutic Class" on page 29. The drugs in this section are grouped into categories depending on the type of medical conditions they are used to treat. For example, if you have a heart condition, you should look in the category "Cardiovascular Agents". That is where you will find drugs that treat heart conditions.

## **B8. What if the drug I want to take is not on the Drug List?**

If you don't find your drug on the Drug List, call Member Services at 1-866-722-6725. (TTY users should call 711) 8 a.m. to 8 p.m., 7 days a week from October 1 to March 31. From April 1 to September 30, hours are 8 a.m. to 8 p.m., Monday through Friday (messages received on holidays and outside of our business hours will be returned within one business day) and ask if your drug is

**If you have questions**, please call SCAN Connections (HMO SNP) and SCAN Connections at Home (HMO SNP) at 1-866-722-6725. (TTY users should call 711), 7 days a week from October 1 to March 31. From April 1 to September 30, hours are 8 a.m. to 8 p.m., Monday through Friday.

covered. If you learn that SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) does not cover the drug, you can do one of these things:

- Ask Member Services for a list of similar drugs that are covered by SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP). Then show the list to your doctor or other prescriber. They can prescribe a similar drug that is covered by SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP). **Or**
- You can ask SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) to make an exception to cover your drug. Refer to questions B10-B12 for more information about exceptions.

---

### **B9. What if I am a new SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) member and can't find my drug on the Drug List or have a problem getting my drug?**

We can help. We may cover a temporary 30-day supply if you are not in a long-term care facility or a 31-day supply if you are a resident of a long-term care facility of your drug during the first 90 days you are a member of SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP). This will give you time to talk to your doctor or other prescriber. They can help you decide if there is a similar drug on the Drug List you can take instead or whether to ask for an exception.

If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30-day supply of medication if you are not in a long-term care facility or a 31-day supply of medication if you are a resident of a long-term care facility.

We will cover a 30-day supply if you are not in a long-term care facility or a 31-day supply if you are a resident of a long-term care facility of your drug if:

- you are taking a drug that is not on our Drug List, **or**
- our plan rules do not let you get the amount ordered by your prescriber, **or**
- the drug requires prior authorization by SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP)

After your first 30-day supply if you are not in a long-term care facility or a 31-day supply if you are a resident of a long-term care facility, we will not pay for these drugs, even if you have been a member of the plan less than 90 days.

If you are in a nursing home or other long-term care facility and need a drug that is not on the Drug List or if you cannot easily get the drug you need, we can help. If you have been in the plan for more than 90 days, live in a long-term care facility, and need a supply right away:

- We will cover one 31-day emergency supply of the drug you need (unless you have a prescription for fewer days) while you pursue a formulary exception.

---

**If you have questions,** please call SCAN Connections (HMO SNP) and SCAN Connections at Home (HMO SNP) at 1-866-722-6725. (TTY users should call 711), 7 days a week from October 1 to March 31. From April 1 to September 30, hours are 8 a.m. to 8 p.m., Monday through Friday.

The call is free. **For more information,** visit [www.scanhealthplan.com](http://www.scanhealthplan.com).

- This is in addition to the temporary supply during the first 90 days you are a member of SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP).

If you are a current member transitioning to a different level of care, you may be prescribed medications not on our Drug List or your ability to get your drugs may be limited. In these instances, you need to talk with your doctor about the appropriate alternative therapies available on our formulary. If there are no appropriate alternative therapies on our formulary, you or your doctor can request an exception and ask the plan to cover the drug or remove restrictions from the drug. While you are talking with your doctor to determine the course of action, you are eligible to receive a 30-day transition supply of the drug if you are moving from a Long-Term Care Facility or a Hospital stay or Emergency Room or Skilled Nursing Facility or Hospice to home or a 31-day transition supply of the drug if you are moving from home or a Hospital stay to a Long-Term Care Facility.

---

## B10. Can I ask for an exception to cover my drug?

Yes. You can ask SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) to make an exception to cover a drug that is not on the Drug List.

You can also ask us to change the rules on your drug.

- For example, SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) may limit the amount of a drug we will cover. If your drug has a limit, you can ask us to change the limit and cover more.
- Other example: You can ask us to drop the prior authorization requirements.
- You can ask us to cover a drug even if it is not on our formulary.

Generally, SCAN Connections (HMO D-SNP) and SCAN Connections at Home (HMO D-SNP) will only approve your request for an exception if the alternative drugs included on the plan's formulary or additional utilization restrictions would not be as effective in treating your condition and/or would cause you to have adverse medical effects.

---

## B11. How can I ask for an exception?

To ask for an exception, call Member Services. Member Services will work with you and your provider to help you ask for an exception. You can also read Chapter 9 of the *Evidence of Coverage* to learn more about exceptions.

---

## B12. How long does it take to get an exception?

After we get a statement from your prescriber supporting your request for an exception, we will give you a decision within 72 hours.

If you or your prescriber think your health may be harmed if you have to wait 72 hours for a decision, you can ask for an expedited exception. This is a faster decision. If your prescriber supports your

- 添加或更改您可以取得的藥物數量（稱為數量限制）。

有關這些藥物規則的更多資訊，請參閱問題 B4。

- 某種藥物被下架。

### B3. 當藥物清單出現變更時會發生什麼？

藥物清單的某些變更將立即發生。例如：

**某種新的普通藥上市。**有時，一種新的普通藥和現在藥物清單上的品牌藥一樣有效。發生這種情況時，我們可能會移除該品牌藥，並添加新的普通藥，但您的新藥費用仍為 \$0。當我們添加新的普通藥時，我們也可能決定將該品牌藥保留在清單中，但更改其承保規則或限制。

- 我們可能不會在進行此變更之前通知您，但一旦發生變更，我們會向您發送有關我們所做的具體更改的資訊。
- 您或您的服務提供者可以申請對這些更改的例外處理。我們將向您發送一份通知，說明您可以採取哪些步驟來申請例外處理。有關例外處理的更多資訊，請參閱問題 B10-B12。

**某種藥物被下架。**如果美國食品藥物管理局 (FDA) 認為您正在使用的藥物不安全，或者藥物製造商將藥物下架，我們會立即將其從藥物清單中刪除，並向使用該藥物的會員發出通知。收到通知後，請聯絡您的醫生或其他開處方者以討論其他選擇。

---

如有疑問，請致電 SCAN Connections (HMO SNP) 和 SCAN Connections at Home (HMO SNP)，電話：1-866-722-6725。（聽障人士可致電 711），10 月 1 日至 3 月 31 日期間每週 7 天。

此為免費電話。要瞭解更多資訊，請瀏覽 [www.scanhealthplan.com](http://www.scanhealthplan.com).

我們可能會作出影響您所服用藥物的其他變更。我們將提前通知您藥物清單的其他變更。在以下情況下，可能會發生這些變更：

- FDA 提供了新的指南，或者有關於某藥物的新臨床指南。
- 我們新增了一種非新上市的普通藥，及
  - 替換目前在藥物清單上的某種品牌藥，或
  - 更改品牌藥的承保規則或限制。

發生這些變更時，我們將：

- 在我們更改藥物清單前至少 30 天將該變更通知受影響的會員，或
- 在您要求重配藥物後，告知您並給予您 30 天的藥物供應量。

這將使您有時間與您的醫生或其他開處方者交談。他們可以幫助您決定：

- 藥物清單上是否有您可以服用的其他類似藥物，或
- 是否要申請針對這些變更的例外處理。要瞭解有關例外的更多資訊，請參閱問題 B10-B12。

---

#### **B4.藥物承保範圍是否有任何禁制或限制，或獲取某些藥物時是否需要採取任何必要行動？**

是，有些藥物有承保規則或對您可以獲取的數量有限制。在某些情況下，您或您的醫生或其他開處方者必須先進行某些步驟才能獲得該藥物。例如：

- **事先授權：**對於某些藥物，您或您的醫生或其他開處方者在配藥前必須獲得 SCAN Connections (HMO D-SNP) 和 SCAN Connections at Home (HMO D-SNP) 的授權。事先授權與轉診不同。如果您未獲得事先授權，SCAN Connections (HMO D-SNP) 和 SCAN Connections at Home (HMO D-SNP) 可能不會承保該藥物。
- **數量限制：**有時，SCAN Connections (HMO D-SNP) 和 SCAN Connections at Home (HMO D-SNP) 會限制您可以獲得的藥物數量。例如，SCAN Connections (HMO D-SNP) 和 SCAN Connections at Home (HMO D-SNP) 為每份 BELSOMRA 處方提供 30 片藥片。這可以另外附加在標準的一個月或三個月的供藥上。

您可以透過查看從第 29 頁開始的處方藥一覽表以瞭解您的藥物是否有任何其他要求或限制。您也可以透過瀏覽我們的網站 [www.scanhealthplan.com](http://www.scanhealthplan.com) 來獲取有關特定承保藥物限制的更多資訊。我們已在網上發佈了一份文件以解釋我們的事先授權限制。您也可以要求我們向您寄送一份副本。

---

**如有疑問，請致電 SCAN Connections (HMO SNP) 和 SCAN Connections at Home (HMO SNP)，電話：1-866-722-6725。（聽障人士可致電 711），10 月 1 日至 3 月 31 日期間每週 7 天。**

**4 月 1 日至 9 月 30 日期間的服務時間為週一至週五，上午 8 點至晚上 8 點。**

**此為免費電話。要瞭解更多資訊，請瀏覽 [www.scanhealthplan.com](http://www.scanhealthplan.com)。**

您可以申請這些禁制或限制的例外處理。這將使您有時間與您的醫生或其他開處方者交談。他們可以幫助您決定藥物清單中是否有您可以服用的其他類似藥物，或者是否要求例外處理。有關例外處理的詳細資訊，請參閱問題 B10-B12。

---

#### **B5.我如何知道我想要的藥物是否有任何禁制或限制，或獲取該藥物時是否需要採取任何必要行動？**

第 29 頁上的藥物列表中的表格有一列標記為「要求/限制」。

---

#### **B6.如果 SCAN Connections (HMO D-SNP) 和 SCAN Connections at Home (HMO D-SNP) 更改其承保某些藥物的規則（例如事先授權或數量限制），會發生什麼情況？**

在某些情況下，如果我們新增或更改了事先授權或藥物的數量限制，我們會提前通知您。請參閱問題 B3 以瞭解有關此提前通知的更多資訊，以及當我們有關藥物清單上的藥物的規則發生變更時我們可能無法提前通知您的情況。

---

#### **B7.如何在藥物清單上尋找藥物？**

有兩種方法可以尋找藥物：

- 您可以按字母循序搜尋，或
- 您可以按病症進行搜索。

要按字母順序搜索，請在從第 65 頁開始的索引部分中尋找您的藥物。該索引提供一份按字母順序排列的清單，其中有本文件包含的所有藥物。該索引列有品牌藥和普通藥。請在該索引中查找所需的藥物。藥物旁邊註有頁碼，您可以在該頁查找承保範圍資訊。轉到該索引中所列的頁碼，在清單的第一欄即可找到所需的藥物名稱。

要按醫療狀況搜索，請找到第 29 頁標有「按治療類別排列的處方藥」的部分。本節中的藥物根據其用於治療的病症類型分為幾類。例如，如果您有心臟病，您應該查看「心血管藥物」類別。您在該部分可以找到治療心臟病的藥物。

---

#### **B8.如果我想服用的藥物不在藥物清單上怎麼辦？**

如果您在藥物清單中找不到您的藥物，請致電會員服務部 1-866-722-6725。（聽障人士可致電 711），10 月 1 日至 3 月 31 日期間的服務時間為每週 7 天，上午 8 點至晚上 8 點。4 月 1 日至 9 月 30 日期間的服務時間為週一至週五，上午 8 點至晚上 8 點（節假日及營業時間之外收到的訊息將在一個工作日內回覆），並詢問您的藥物是否在承保範圍內。如果您瞭解到 SCAN Connections (HMO D-SNP) 和 SCAN Connections at Home (HMO D-SNP) 不承保該藥物，您可以進行以下事項之一：

#### **B9.如果我是 SCAN Connections (HMO D-SNP) 和 SCAN Connections at Home (HMO D-SNP) 會員，但在藥物清單上找不到我的藥物或獲取藥物時遇到問題，該怎麼辦？**

我們可以提供幫助。在您成為 SCAN Connections (HMO D-SNP) 和 SCAN Connections at Home (HMO D-SNP) 會員後的最初 90 天內，如果您不住在長期護理機構，我們可能會承保 30 天的臨時供藥；如果您住在長期護理機構，我們可能會承保 31 天的臨時供藥。這將使您有時間與您的醫生或其他開處方者交談。他們可以幫助您決定藥物清單中是否有您可以服用的其他類似藥物，或者是否要求例外處理。

如果您的處方天數較少，我們將允許多次重配以提供最多 30 天的藥物供應（如果您不住在長期護理機構）或 31 天的藥物供應（如果您住在長期護理機構）。

如果您不在長期護理機構，我們將承保 30 天的藥量；如果您住在長期護理機構，我們將承保 31 天的藥量；您必須符合以下條件：

- 您正在服用不在我們的藥物清單上的藥物，或
- 我們的計劃規則不允許您獲得開處方者開配的藥量，或
- 該藥物需要獲得 SCAN Connections (HMO D-SNP) 和 SCAN Connections at Home (HMO D-SNP) 的事先授權

在您獲得 30 天（您沒有住在長期護理機構時）或 31 天（您住在長期護理機構時）的供藥後，我們將不再為您支付這些藥物的費用，即使您成為計劃會員還不足 90 天。

如果您住在療養院或其他長期護理機構並需要藥物清單上沒有的藥物，或者您無法輕易獲得所需的藥物，我們可以提供幫助。如果您已加入計劃超過 90 天並住在長期護理機構，並且立即需要供藥：

- 當您尋求處方例外情況時，我們將承保一次 31 天您所需藥物的緊急供應（除非您的處方天數較少）。
- 這是您成為 SCAN Connections (HMO D-SNP) 和 SCAN Connections at Home (HMO D-SNP) 會員的最初 90 天臨時供藥的補充。

如果您是過渡到其他護理級別的現任會員，則給您開的藥物可能不在我們的藥物清單上，或者您獲得藥物的能力可能會受到限制。若出現上述情況，您需要諮詢您的醫生來瞭解我們處方藥一覽表上是否有適當的替代療法。如果我們處方藥一覽表上沒有適當的替代療法，您或您的醫生可提出例外請求，要求本計劃承保您所用的藥物或解除對您所用藥物的限制。在您與醫生討論以確定行動方案的同時，如果您從長期護理機構或住院或急診室或專業護理機構或臨終關懷機構搬到家中，您有資格獲得 30 天的藥物過渡期供藥；如果您從家中或醫院搬到長期護理機構，您有資格獲得 31 天的過渡期供藥。

---

#### **B10.我是否可以要求例外處理來承保我的藥物？**

是。您可以要求 SCAN Connections (HMO D-SNP) 和 SCAN Connections at Home (HMO D-SNP) 進行例外處理以承保藥物清單上未列出的藥物。

您也可以要求我們更改您的藥物規則。

- 例如，SCAN Connections (HMO D-SNP) 和 SCAN Connections at Home (HMO D-SNP) 可能會限制我們承保的藥物數量。如果您的藥物有限制，您可以要求我們更改限制並承保更多藥物。
- 其他例子：您可以要求我們取消事先授權申請。
- 您可以要求我們承保一種藥物，即使它不在我們的處方藥一覽表上。

一般而言，SCAN Connections (HMO D-SNP) 和 SCAN Connections at Home (HMO D-SNP) 只有在計劃處方藥一覽表上的替代藥物或其他使用限制對治療您的病症無效和/或可能造成不良醫療影響時才會批准您的例外處理申請。

---

#### **B11.如何申請例外處理？**

要申請例外處理，請致電會員服務部。會員服務部將與您和您的服務提供者合作以幫助您申請例外處理。您還可以閱讀《承保範圍說明書》第 9 章以瞭解有關例外情況的更多資訊。

---

#### **B12.獲得例外需要多長時間？**

在我們收到您的開處方者支持您的例外處理申請的聲明後，我們將在 72 小時內做出決定。

如果您或您的開處方者認為您必須等待 72 小時才能做出決定可能會損害您的健康，您可以申請加急例外處理。這是一種較快的決定。如果您的開處方者支援您的請求，我們將在收到開處方者的支持聲明後 24 小時內給您做出決定。

---

#### **B13.什麼是普通藥？**
