What to do now

1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
 - Review the changes to Medical care costs (doctor, hospital).
 - Review the changes to our drug coverage, including authorization requirements and costs.
 - Think about how much you will spend on premiums, deductibles, and cost-sharing.
- Check the changes in the 2023 Drug List to make sure the drugs you currently take are still covered.
- Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies will be in our network next year.
- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at www.medicare.gov/plan-compare website or review the list in the back of your *Medicare & You 2023 and 2024* handbooks.

- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

3. CHOOSE: Decide whether you want to change your plan

- If you don't join another plan by the end of the open enrollment time-frame, you will stay in SCAN Retiree Group – LACERA.
- To change to a **different plan**, you can switch plans during the LACERA Open Enrollment Period. Your new coverage will start on **July 1, 2023**. This will end your enrollment with SCAN Retiree Group – LACERA.
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

**SECTION 1 Changes to Benefits and Costs for
July 1, 2023 – June 30, 2024**

Section 1.1 – Changes to the Monthly Premium

Cost	2022/2023 (this year)	2023/2024 (next year)
Monthly premium (You must also continue to pay your Medicare Part B premium.)	Please contact your plan sponsor benefits administrator for information about your plan premium.	Please contact your plan sponsor benefits administrator for information about your plan premium.

- Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be *less* if you are receiving “Extra Help” with your prescription drug costs. Please see Section 5 regarding “Extra Help” from Medicare.

Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay “out-of-pocket” for the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2022/2023 (this year)	2023/2024 (next year)
Maximum out-of-pocket amount Your costs for covered medical services (such as copays) count toward your maximum out-of-pocket amount. Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.	\$3,400	\$3,400
		Once you have paid \$3,400 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services for the rest of the plan year.

Section 1.3 – Changes to the Provider and Pharmacy Networks

Updated directories are located on our website at www.scanhealthplan.com. You may also call Member Services for updated provider and/or pharmacy information or to ask us to mail you a directory.

There are changes to our network of providers for the next plan year. **Please review the 2023 and 2024 *Provider & Pharmacy Directory* to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

There are changes to our network of pharmacies for the next plan year. **Please review the 2023 and 2024 *Provider & Pharmacy Directory* to see which pharmacies are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers), and pharmacies that are part of your plan during the year. If a mid-year change in our providers affects you, please contact Member Services so we may assist.

Section 1.4 – Changes to Benefits and Costs for Medical Services

We are making changes to costs and benefits for certain medical services next year. The information below describes these changes.

Cost	2022/2023 (this year)	2023/2024 (next year)
Long-term services and supports (LTSS)	You are covered for up to \$650 of Long-Term Services and Supports.	You are covered for up to \$850 of Long-Term Services and Supports.
Nurse advice line	Nurse Advice Line services are <u>not</u> covered.	You pay a \$0 copayment for each Nurse Advice Line phone call. Please see your <i>Evidence of Coverage</i> for more details.

Section 1.5 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and you haven’t received this insert by September 30, 2023, please call Member Services and ask for the “LIS Rider.”

There are four “drug payment stages.” The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Changes to the Deductible Stage

SECTION 2 Deciding Which Plan to Choose

Section 2.1 – If you want to stay in SCAN Retiree Group – LACERA

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare, you will automatically be enrolled in our SCAN Retiree Group – LACERA. **You should check with your plan sponsor's benefits administrator for the open enrollment procedures.**

Section 2.2 – If you want to change plans

We hope to keep you as a member for the next plan year but if you want to change plans for 2023/2024 follow these steps:

Step 1: Learn about and compare your choices

- Contact your plan sponsor benefits administrator for information on changing plans.
- You can join a different Medicare health plan,
- *OR* -- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 1.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2023 and 2024* handbooks, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from SCAN Retiree Group – LACERA.
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from SCAN Retiree Group – LACERA.
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll or visit our website to disenroll online. Contact Member Services if you need more information on how to do so.
 - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 3 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for the next plan year, you can do it during your plan sponsor's open enrollment period. The change will take effect on July 1, 2023.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get "Extra Help" paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

You should check with your plan sponsor's benefits administrator for their annual open enrollment procedures for making a plan change. For more information, see Chapter 10, Section 2.2 of the *Evidence of Coverage*.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 4 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In California, the SHIP is called Health Insurance Counseling and Advocacy Program (HICAP).

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Health Insurance Counseling and Advocacy Program (HICAP) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Health Insurance Counseling and Advocacy Program (HICAP) at 1-800-434-0222. You can learn more about Health Insurance Counseling and Advocacy Program (HICAP) by visiting their website (aging.ca.gov/hicap/).

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance.
