

**Los Angeles City Employees' Retirement System (LACERS) (HMO)
2025 SCAN Health Plan Formulary**

List of Covered Drugs or “Drug List”

Formulario de SCAN Health Plan

Lista de medicamentos cubiertos o “Lista de medicamentos”

This formulary was updated on 6/1/2025. For more recent information or other questions, please contact SCAN Health Plan Member Services at 1-800-559-3500 (TTY users should call 711), 8 a.m. to 8 p.m., 7 days a week from October 1 to March 31. From April 1 to September 30, hours are 8 a.m. to 8 p.m., Monday through Friday (messages received on holidays and outside of our business hours will be returned within one business day), or visit www.scanhealthplan.com.

Este formulario se actualizó el 6/1/2025. Para obtener información más reciente o si tiene pregunta, comuníquese con Servicios para Miembros de SCAN Health Plan al 1-800-559-3500 (los usuarios de TTY deben llamar al 711), de 8:00 a. m. a 8:00 p. m., los 7 días de la semana, desde el 1 de octubre hasta el 31 de marzo. Desde el 1 de abril hasta el 30 de septiembre, el horario es de 8:00 a. m. a 8:00 p. m., de lunes a viernes (los mensajes recibidos en días festivos y fuera del horario de atención se responderán en el plazo de un día hábil). También puede visitar www.scanhealthplan.com.

Los Angeles City Employees' Retirement System (LACERS) (HMO) 2025 Formulary (List of Covered Drugs or "Drug List")

PLEASE READ: THIS DOCUMENT CONTAINS INFORMATION ABOUT THE DRUGS WE COVER IN THIS PLAN

25409, 22

This formulary was updated on 6/1/2025. For more recent information or other questions, please contact SCAN Health Plan Member Services at 1-800-559-3500 (TTY users should call 711), 8 a.m. to 8 p.m., 7 days a week from October 1 to March 31. From April 1 to September 30, hours are 8 a.m. to 8 p.m., Monday through Friday (messages received on holidays and outside of our business hours will be returned within one business day), or visit www.scanhealthplan.com.

Note to existing members: This Formulary has changed since last year. Please review this document to make sure that it still contains the drugs you take.

When this Drug List (Formulary) refers to "we," "us", or "our," it means SCAN Health Plan. When it refers to "plan" or "our plan," it means SCAN Retiree Group - LACERS (HMO).

This document includes a Drug List (formulary) for our plan which is current as of June 2025. For an updated Drug List (formulary), please contact us. Our contact information, along with the date we last updated the Drug List (formulary), appears on the front and back cover pages.

You must generally use network pharmacies to use your prescription drug benefit. Benefits, formulary, pharmacy network, and/or copayments/coinsurance may change on January 1, 2026, and from time to time during the year. You will receive notice when necessary.

You can get prescription drugs shipped to your home through our network mail-order delivery program. Express Scripts PharmacySM is our Preferred mail order pharmacy. While you can fill your prescription medications at any of our network mail order pharmacies, you may pay less at the Preferred mail order pharmacy. Typically, you should expect to receive your prescription drugs within 14 days from the time that Express Scripts mail-order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact SCAN Health Plan's Member Services. For your mail order prescriptions, you have the option to sign up for an automatic refill program by contacting Express Scripts Pharmacy at 1-866-553-4125, 24 hours a day, 7 days a week. TTY users should call 711. You may opt out of automatic deliveries at any time.

SCAN Health Plan is an HMO plan with a Medicare contract. Enrollment in SCAN Health Plan depends on contract renewal.

What is the SCAN Retiree Group - LACERS formulary?

In this document, we use the terms Drug List and formulary to mean the same thing. A formulary is a list of covered drugs selected by SCAN Retiree Group - LACERS in consultation with a team of health care providers, which represents the prescription therapies believed to be a necessary part of a quality treatment program. SCAN Retiree Group - LACERS will generally cover the drugs listed in our formulary as long as the drug is medically necessary, the prescription is filled at a SCAN Retiree Group - LACERS network pharmacy, and other plan rules are followed. For more information on how to fill your prescriptions, please review your Evidence of Coverage.

Can the formulary change?

Most changes in drug coverage happen on January 1, but we may add or remove drugs on the formulary during the year, move them to different cost-sharing tiers, or add new restrictions. We must follow the Medicare rules in making these changes. Updates to the formulary are posted monthly to our website here: <https://www.scanhealthplan.com/lacers>.

Changes that can affect you this year: In the below cases, you will be affected by coverage changes during the year:

- Immediate substitutions of certain new versions of brand-name drugs and original biological products. We may immediately remove a drug from our formulary if we are replacing it with a certain new version of that drug that will appear on the same or lower cost-sharing tier and with the same or fewer restrictions. When we add a new version of a drug to our formulary, we may decide to keep the brand-name drug or original biological product on our formulary, but immediately move it to a different cost-sharing tier or add new restrictions.

We can make these immediate changes only if we are adding a new generic version of a brand-name drug, or adding certain new biosimilar versions of an original biological product, that was already on the formulary (for example, adding an interchangeable biosimilar that can be substituted for an original biological product by a pharmacy without a new prescription).

If you are currently taking the brand-name drug or original biological product, we may not tell you in advance before we make an immediate change, but we will later provide you with information about the specific change(s) we have made.

If we make such a change, you or your prescriber can ask us to make an exception and continue to cover for you the drug that is being changed. For more information, see the section below titled "How do I request an exception to the SCAN Retiree Group - LACERS's Formulary?"

Some of these drug types may be new to you. For more information, see the section below titled "What are original biological products and how are they related to biosimilars?"

- **Drugs removed from the market.** If a drug is withdrawn from sale by the manufacturer or the Food and Drug Administration (FDA) determines to be withdrawn for safety or effectiveness reasons, we may immediately remove the drug from our formulary and later provide notice to members who take the drug.
- **Other changes.** We may make other changes that affect members currently taking a drug. For instance, we may remove a brand-name drug from the formulary when adding a generic

Date of last formulary update 6/1/2025

equivalent or remove an original biological product when adding a biosimilar. We may also apply new restrictions to the brand-name drug or original biological product, or move it to a different cost-sharing tier, or both. We may make changes based on new clinical guidelines. If we remove drugs from our formulary, add prior authorization, quantity limits and/or step therapy restrictions on a drug, or move a drug to a higher cost-sharing tier, we must notify affected members of the change at least 30 days before the change becomes effective. Alternatively, when a member requests a refill of the drug, they may receive a 30-day supply of the drug and notice of the change.

If we make these other changes, you or your prescriber can ask us to make an exception for you and continue to cover the drug you have been taking. The notice we provide you will also include information on how to request an exception, and you can also find information in the section below entitled “How do I request an exception to the SCAN Retiree Group - LACERS’s Formulary?”

Changes that will not affect you if you are currently taking the drug. Generally, if you are taking a drug on our 2025 formulary that was covered at the beginning of the year, we will not discontinue or reduce coverage of the drug during the 2025 coverage year except as described above. This means these drugs will remain available at the same cost-sharing and with no new restrictions for those members taking them for the remainder of the coverage year. You will not get direct notice this year about changes that do not affect you. However, on January 1 of the next year, such changes would affect you, and it is important to check the formulary for the new benefit year for any changes to drugs.

The enclosed formulary is current as of June, 2025. To get updated information about the drugs covered by SCAN Retiree Group - LACERS, please contact us. Our contact information appears on the front and back cover pages.

How do I use the Formulary?

There are two ways to find your drug within the formulary:

Medical Condition

The formulary begins on page 20. The drugs in this formulary are grouped into categories depending on the type of medical conditions that they are used to treat. For example, drugs used to treat a heart condition are listed under the category, “Cardiovascular Agents”. If you know what your drug is used for, look for the category name in the list that begins on page number 20. Then look under the category name for your drug.

Alphabetical Listing

If you are not sure what category to look under, you should look for your drug in the Index that begins on page 63. The Index provides an alphabetical list of all of the drugs included in this document. Both brand-name drugs and generic drugs are listed in the Index. Look in the Index and find your drug. Next to your drug, you will see the page number where you can find coverage information. Turn to the page listed in the Index and find the name of your drug in the first column of the list.

What are generic drugs?

SCAN Retiree Group - LACERS covers both brand name drugs and generic drugs. A generic drug is approved by the FDA as having the same active ingredient as the brand-name drug. Generally, generic drugs work just as well as and usually cost less than brand-name drugs. There are generic drug substitutes available for many brand-name drugs. Generic drugs usually can be substituted for the brand-name drug at the pharmacy without needing a new prescription, depending on state laws.

What are original biological products and how are they related to biosimilars?

On the formulary, when we refer to drugs, this could mean a drug or a biological product. Biological products are drugs that are more complex than typical drugs. Since biological products are more complex than typical drugs, instead of having a generic form, they have alternatives that are called biosimilars. Generally, biosimilars work just as well as the original biological product and may cost less. There are biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state laws, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand-name drugs.

- For discussion of drug types, please see the Evidence of Coverage, Chapter 5 Section 3.1, “The ‘Drug List’ tells which Part D drugs are covered.”

Are there any restrictions on my coverage?

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include:

- **Prior Authorization:** SCAN Retiree Group - LACERS requires you or your prescriber to get prior authorization for certain drugs. This means that you will need to get approval from SCAN Retiree Group - LACERS before you fill your prescriptions. If you don't get approval, SCAN Retiree Group - LACERS may not cover the drug.
- **Quantity Limits:** For certain drugs, SCAN Retiree Group - LACERS limits the amount of the drug that SCAN Retiree Group - LACERS will cover. For example, SCAN Retiree Group - LACERS provides 30 tablets per prescription for ramelteon. This may be in addition to a standard one-month or three-month supply.

You can find out if your drug has any additional requirements or limits by looking in the formulary that begins on page 20. You can also get more information about the restrictions applied to specific covered drugs by visiting our website. We have posted online a document that explain our prior authorization restriction. You may also ask us to send you a copy. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You can ask SCAN Retiree Group - LACERS to make an exception to these restrictions or limits or for a list of other, similar drugs that may treat your health condition. See the section, “How do I request an exception to the SCAN Retiree Group - LACERS’s formulary?” on page 6 for information about how to request an exception.

What if my drug is not on the Formulary?

If your drug is not included in this formulary (list of covered drugs), you should first contact Member Services and ask if your drug is covered.

If you learn that SCAN Retiree Group - LACERS does not cover your drug, you have two options:

- You can ask Member Services for a list of similar drugs that are covered by SCAN Retiree Group - LACERS. When you receive the list, show it to your doctor and ask them to prescribe a similar drug that is covered by SCAN Retiree Group - LACERS.
- You can ask SCAN Retiree Group - LACERS to make an exception and cover your drug. See below for information about how to request an exception.

How do I request an exception to the SCAN Retiree Group - LACERS's Formulary?

You can ask SCAN Retiree Group - LACERS to make an exception to our coverage rules. There are several types of exceptions that you can ask us to make.

- You can ask us to cover a drug even if it is not on our formulary. If approved, this drug will be covered at a pre-determined cost-sharing level, and you would not be able to ask us to provide the drug at a lower cost-sharing level.
- You can ask us to waive a coverage restriction including prior authorization, step therapy, or a quantity limit on your drug. For example, for certain drugs, SCAN Retiree Group - LACERS limits the amount of the drug that we will cover. If your drug has a quantity limit, you can ask us to waive the limit and cover a greater amount.
- You can ask us to cover a formulary drug at lower cost-sharing level unless the drug is on the specialty tier. If approved, this would lower the amount you must pay for your drug.

Generally, SCAN Retiree Group - LACERS will only approve your request for an exception if the alternative drugs included on the plan's formulary, the lower cost-sharing drug or applying the restriction would not be as effective for you and/or would cause you to have adverse effects.

You or your prescriber should contact us to ask for a tiering or, formulary exception, including an exception to a coverage restriction. **When you request an exception, your prescriber will need to explain the medical reasons why you need the exception.** Generally, we must make our decision within 72 hours of getting your prescriber's supporting statement. You can ask for an expedited (fast) decision if you believe, and we agree, that your health could be seriously harmed by waiting up to 72 hours for a decision. If we agree, or if your prescriber asks for a fast decision, we must give you a decision no later than 24 hours after we get your prescriber's supporting statement.

What can I do if my drug is not on the formulary or has a restriction?

As a new or continuing member in our plan you may be taking drugs that are not on our formulary. Or, you may be taking a drug that is on our formulary but has a coverage restriction, such as prior authorization. You should talk to your prescriber about requesting a coverage decision to show that you meet the criteria for approval, switching to an alternative drug that we cover, or requesting a formulary

Date of last formulary update 6/1/2025

exception so that we will cover the drug you take. While you and your doctor determine the right course of action for you, we may cover your drug in certain cases during the first 90 days you are a member of our plan.

For each of your drugs that is not on our formulary or has a coverage restriction, we will cover a temporary 30-day supply if you are not in a long-term care facility or a 31-day supply if you are a resident of a long-term care facility. If your prescription is written for fewer days, we'll allow refills to provide up to a maximum 30-day supply of medication if you are not in a long-term care facility or a 31-day supply of medication if you are a resident of a long-term care facility. If coverage is not approved, after your first 30-day supply if you are not in a long-term care facility or a 31-day supply if you are a resident of a long-term care facility, we will not pay for these drugs, even if you have been a member of the plan less than 90 days.

If you are a resident of a long-term care facility and you need a drug that is not on our formulary or if your ability to get your drugs is limited, but you are past the first 90 days of membership in our plan, we will cover a 31-day emergency supply of that drug while you pursue a formulary exception.

If you are a current member transitioning to a different level of care, you may be prescribed medications not on our formulary or your ability to get your drugs may be limited. In these instances, you need to talk with your doctor about the appropriate alternative therapies available on our formulary. If there are no appropriate alternative therapies on our formulary, you or your doctor can request an exception and ask the plan to cover the drug or remove restrictions from the drug. While you are talking with your doctor to determine the course of action, you are eligible to receive a 30-day transition supply of the drug if you are moving from a long-term care facility or a hospital stay to home or a 31-day transition supply of the drug if you are moving from home or a hospital stay to a long-term care facility.

For more information

For more detailed information about your SCAN Retiree Group - LACERS prescription drug coverage, please review your Evidence of Coverage and other plan materials.

If you have questions about SCAN Retiree Group - LACERS, please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

If you have general questions about Medicare prescription drug coverage, please call Medicare at 1-800-MEDICARE (1-800-633-4227) 24 hours a day/7 days a week. TTY users should call 1-877-486-2048. Or, visit <http://www.medicare.gov>.

The chart below lists what you will pay as your share of the costs for covered prescription drugs at our network pharmacies when you are in the Initial Coverage Stage.

Preferred cost-sharing is lower cost-sharing that may be available to you for certain covered Part D drugs at certain network pharmacies. For more information, please visit our online searchable Pharmacy Directory at www.scanhealthplan.com or call Member Services. Our contact information appears on the front and back cover pages.

Please refer to your Evidence of Coverage for information about the costs at Long-Term Care (LTC) pharmacies and out-of-network pharmacies.

If you receive "Extra Help," your share of the cost for covered prescription drugs may vary based on the level of "Extra Help" you receive. For more information about your drug costs, look at the "LIS Rider".

SCAN Retiree Group - LACERS (HMO):

Drug Tier	Tier Name		Retail & Mail Order			
			Preferred		Standard	
			30-day supply	100-day supply	30-day supply	100-day supply
1	Preferred Generic		\$5	\$10	\$10	\$20
2	Generic		\$5	\$10	\$10	\$20
3	Preferred Brand	Insulin	\$20	\$40	\$20	\$40
		Other Drugs	\$20	\$40	\$20	\$40
4	Non-Preferred Drug		\$20	\$40	\$20	\$40
5	Specialty Tier		25%	N/A	25%	N/A
You won't pay more than \$20 for a one-month supply and no more than \$40 for a three-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on. You won't pay more than \$35 for a one-month supply and no more than \$105 for a three-month supply of each insulin product covered through a coverage determination, appeal, or transition. Most adult Part D vaccines are covered by our plan at no cost to you.						

SCAN Retiree Group - LACERS's Formulary

The formulary that begins on page 20 provides coverage information about the drugs covered by SCAN Retiree Group - LACERS. If you have trouble finding your drug in the list, turn to the Index that begins on page 63.

The first column of the chart lists the drug name. Brand-name drugs are capitalized (e.g., JANUVIA) and generic drugs are listed in lower-case italics (e.g., *metformin*).

The information in the Requirements/Limits column tells you if SCAN Retiree Group - LACERS has any special requirements for coverage of your drug.

- The symbol [PA] indicates that prior authorization applies.
- The symbol [B vs D] indicates that this drug may be covered under Medicare Part B or Part D depending upon the circumstances. Information may need to be submitted describing the use and setting of the drug to make the determination.
- The symbol [QL] indicates that quantities dispensed are limited. To see the quantity limit amount for the formulary drugs with quantity limits, turn to the page 58.
- The symbol [LD] indicates that limited distribution applies. This prescription may be available only at certain pharmacies. For more information consult your Pharmacy Directory or call Member Services at 1-800-559-3500 (TTY users should call 711), 8 a.m. to 8 p.m., 7 days a week from October 1 to March 31. From April 1 to September 30, hours are 8 a.m. to 8 p.m., Monday through Friday (messages received on holidays and outside of our business hours will be returned within one business day), or visit www.scanhealthplan.com.
- The symbol [EDS] indicates that this drug is available for an extended day supply (e.g., greater than a 30-day supply) at mail-order and many retail pharmacies.

Los Angeles City Employees' Retirement System (LACERS) (HMO)

Formulario de 2025 (Lista de medicamentos cubiertos o "Lista de medicamentos")

LEA: ESTE DOCUMENTO CONTIENE INFORMACIÓN SOBRE LOS MEDICAMENTOS QUE CUBRIMOS EN ESTE PLAN

25409, 22

Este formulario se actualizó el 6/1/2025. Para obtener información más reciente o si tiene preguntas, comuníquese con Servicios para Miembros de SCAN Health Plan, al 1-800-559-3500 (los usuarios de TTY deben llamar al 711), de 8:00 a.m. a 8:00 p.m., los 7 días de la semana, del 1 de octubre al 31 de marzo. Del 1 de abril al 30 de septiembre, el horario es de 8:00 a.m. a 8:00 p.m., de lunes a viernes (los mensajes recibidos en días feriados y fuera del horario de atención se responderán en el plazo de un día hábil). También puede visitar www.scanhealthplan.com.

Nota para miembros actuales: Este Formulario ha cambiado desde el año pasado. Revise este documento para asegurarse que todavía se incluyen los medicamentos que toma.

Cuando esta Lista de medicamentos (Formulario) hace referencia a "nosotros" o "nuestro", quiere decir SCAN Health Plan. Cuando se hace referencia al "plan" o a "nuestro plan", quiere decir SCAN Retiree Group - LACERS (HMO).

Este documento incluye una Lista de medicamentos (formulario) para nuestro plan que está vigente desde junio de 2025. Para obtener una Lista de medicamentos (formulario) actualizada, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización de la Lista de medicamentos (formulario), aparece en las páginas de portada y contraportada.

Por lo general, debe acudir a las farmacias de la red para usar el beneficio de medicamentos con receta. Los beneficios, el formulario, la red de farmacias, o los copagos/coseguros pueden cambiar el 1 de enero de 2026 y de vez en cuando durante el año. Recibirá un aviso cuando sea necesario.

Puede solicitar que se le envíen los medicamentos con receta a su hogar a través de nuestro programa de entrega de pedido por correo de la red. Express Scripts PharmacySM es nuestra farmacia de pedido por correo preferida. Si bien puede surtir sus medicamentos con receta en cualquiera de las farmacias de pedido por correo de nuestra red, posiblemente pague menos en la farmacia de pedido por correo preferida. Por lo general, debería recibir sus medicamentos con receta dentro de los 14 días a partir del momento en que la farmacia de pedido por correo Express Scripts reciba el pedido. Si no recibe su(s) medicamento(s) con receta dentro de ese plazo, comuníquese con Servicios para Miembros de SCAN Health Plan. Para las recetas de pedido por correo, tiene la opción de inscribirse en un programa de resurtido automático comunicándose con Express Scripts Pharmacy al 1-866-553-4125, las 24 horas, los 7 días de la semana. Los usuarios de TTY deben llamar al 711. Puede desinscribirse de los envíos automáticos en cualquier momento.

SCAN Health Plan es un plan HMO con un contrato de Medicare. La inscripción en SCAN Health Plan depende de la renovación del contrato.

¿Qué es el formulario de SCAN Retiree Group - LACERS?

En este documento, usamos los términos Lista de medicamentos y formulario para hacer referencia a lo mismo. Un formulario es una lista de medicamentos cubiertos elegidos por SCAN Retiree Group - LACERS en consulta con un equipo de proveedores de atención médica que representa los medicamentos con receta necesarios para los tratamientos como parte de un programa de tratamiento de calidad. SCAN Retiree Group - LACERS cubre los medicamentos que aparecen en nuestro formulario cuando el medicamento sea médicamente necesario, la receta se surta en una farmacia de la red de SCAN Retiree Group - LACERS y se respeten las demás normas del plan. Para obtener más información acerca de cómo surtir las recetas, revise la Evidencia de cobertura.

¿Puede cambiar el formulario?

La mayoría de los cambios en la cobertura de medicamentos se realizan el 1 de enero, pero podemos añadir o retirar medicamentos del formulario durante el año, pasarlos a diferentes niveles de gastos compartidos o añadir nuevas restricciones. Debemos seguir las normas de Medicare a la hora de hacer estos cambios. Las actualizaciones del formulario se publican mensualmente en nuestro sitio web aquí: <https://www.scanhealthplan.com/lacers>.

Los cambios que pueden afectarle este año: En los siguientes casos, se verá afectado por cambios los de cobertura durante el año:

- Sustitución inmediata de ciertas versiones nuevas de medicamentos de marca y productos biológicos originales. Podemos retirar inmediatamente un medicamento de nuestro formulario si lo reemplazamos con una determinada versión nueva de ese medicamento que aparecerá en el mismo nivel de gasto compartido o en uno menor y con las mismas restricciones o menos. Cuando agregamos una nueva versión de un medicamento a nuestro formulario, podemos decidir mantener el medicamento de marca o el producto biológico original en nuestro formulario, pero cambiarlo inmediatamente a un nivel de gastos compartidos diferente o agregar nuevas restricciones.

Podemos hacer estos cambios inmediatos solo si agregamos una nueva versión genérica de un medicamento de marca, o si agregamos ciertas versiones biosimilares nuevas de un producto biológico original, que ya estaba en el formulario (por ejemplo, al agregar un biosimilar intercambiable que puede ser sustituido por un producto biológico original en una farmacia sin una nueva receta).

Si actualmente toma el medicamento de marca o el producto biológico original, es posible que no le informemos por adelantado antes de hacer un cambio inmediato, pero luego le brindaremos información sobre los cambios específicos que hemos hecho.

Si implementamos dicho cambio, usted u otra persona autorizada a dar recetas pueden solicitarnos que hagamos una excepción y sigamos cubriendo para usted el medicamento que se está cambiando. Para obtener más información, consulte la sección a continuación titulada “¿Cómo solicito una excepción para el Formulario de SCAN Retiree Group - LACERS?”

Algunos de estos tipos de medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la sección a continuación titulada “¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?”

- **Medicamentos retirados del mercado.** Si un medicamento es retirado de la venta por el fabricante, o la Administración de Alimentos y Medicamentos (FDA) determina su retiro por motivos de seguridad o eficacia, podemos retirar inmediatamente el medicamento de nuestro formulario y luego notificar a los miembros que lo toman.
- **Otros cambios.** Podemos realizar otros cambios que afecten a los miembros que toman actualmente un medicamento. Por ejemplo, podemos retirar un medicamento de marca del formulario al agregar un equivalente genérico o retirar un producto biológico original al agregar un biosimilar. También podemos aplicar nuevas restricciones al medicamento de marca o al producto biológico original, o moverlo a un nivel de gastos compartidos diferente, o ambas opciones. Podemos realizar cambios según nuevas pautas clínicas. Si retiramos medicamentos de nuestro formulario, agregamos una autorización previa, límites de cantidad o restricciones de terapia escalonada a un medicamento, o si movemos un medicamento a un nivel de gastos compartidos más alto, debemos notificar a los miembros afectados sobre el cambio, al menos 30 días antes de que el cambio esté vigente. O bien, cuando un miembro solicita un resurtido del medicamento, puede recibir un suministro del medicamento para 30 días y un aviso del cambio.

Si implementamos estos cambios, usted u otra persona autorizada a dar recetas pueden solicitarle que hagamos una excepción para usted y que sigamos cubriendo el medicamento que ha estado tomando. El aviso que le proporcionaremos también incluye información sobre cómo solicitar una excepción y, además, puede encontrar información en la sección a continuación, “¿Cómo solicito una excepción para el Formulario de SCAN Retiree Group - LACERS?”

Cambios que no le afectarán si actualmente está tomando el medicamento. Por lo general, si toma un medicamento que se encuentra en nuestro formulario de 2025 que estaba cubierto al comienzo del año, no descontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2025, excepto en los casos que se describieron anteriormente. Esto significa que estos medicamentos permanecerán disponibles con los mismos gastos compartidos y sin nuevas restricciones para aquellos miembros que los tomen durante el resto del año de cobertura. No recibirá un aviso directo sobre los cambios que no le afecten este año. Sin embargo, dichos cambios podrían afectarle a partir del 1 de enero del año siguiente, y es importante que revise el formulario del nuevo año de beneficios para ver los cambios en los medicamentos.

El formulario adjunto está vigente desde junio de 2025. Para obtener información actualizada acerca de los medicamentos cubiertos por SCAN Retiree Group - LACERS, póngase en contacto con nosotros. Nuestra información de contacto aparece en las páginas de la cubierta del frente y del dorso.

¿Cómo uso el Formulario?

Existen dos maneras de buscar un medicamento dentro del formulario:

Afección médica

El formulario comienza en la página 20. En este formulario, los medicamentos se dividen en categorías según el tipo de afección médica que tratan. Por ejemplo, los medicamentos usados para tratar una afección cardíaca se indican en la categoría “Agentes cardiovasculares”. Si sabe para qué se usa su medicamento, busque el nombre de la categoría en la lista que comienza en la página número 20. Luego busque el nombre del medicamento debajo del nombre de la categoría.

Orden alfabético

Si no sabe en qué categoría buscar, debe buscar el medicamento en el Índice que comienza en la página 63. El Índice le proporciona una lista en orden alfabético de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los medicamentos genéricos figuran en el Índice. Consulte el Índice y busque su medicamento. Al lado de medicamento, verá el número de página en donde puede encontrar la información de cobertura. Vaya a la página que figura en el Índice y busque el nombre del medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

SCAN Retiree Group - LACERS cubre tanto medicamentos de marca como genéricos. La Administración de Alimentos y Medicamentos (FDA) aprueba un medicamento genérico cuando considera que contiene el mismo ingrediente activo que el medicamento de marca. Por lo general, los medicamentos genéricos funcionan igual de bien que los medicamentos de marca y, en general, cuestan menos. Hay sustitutos genéricos disponibles para muchos medicamentos de marca. Por lo general, los medicamentos genéricos pueden sustituir al medicamento de marca en la farmacia sin necesidad de una nueva receta, según las leyes estatales.

¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?

En el formulario, cuando hablamos de medicamentos, podríamos hacer referencia a un medicamento o un producto biológico. Los productos biológicos son medicamentos que son más complejos que los medicamentos típicos. Dado que los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, tienen alternativas que se llaman biosimilares. En general, los biosimilares funcionan tan bien como el producto biológico original y pueden costar menos. Existen alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son biosimilares intercambiables y, según las leyes estatales, pueden ser sustituidos por el producto biológico original en la farmacia sin necesidad de una nueva receta, al igual que los medicamentos genéricos pueden ser sustituidos por medicamentos de marca.

- Para obtener información sobre los tipos de medicamentos, consulte la Evidencia de cobertura, Sección 3.1 del Capítulo 5, “La 'Lista de medicamentos' indica qué medicamentos de la Parte D están cubiertos”.

¿Existe alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales en la cobertura. Estos requisitos y límites pueden incluir:

- **Autorización previa:** SCAN Retiree Group - LACERS requiere que usted o la persona autorizada a dar recetas obtengan una autorización previa para determinados medicamentos. Esto significa que deberá obtener la aprobación de SCAN Retiree Group - LACERS antes de surtir sus medicamentos con receta. Si no obtiene la aprobación, es posible que SCAN Retiree Group - LACERS no cubra el medicamento.
- **Límites de cantidad:** Para determinados medicamentos, SCAN Retiree Group - LACERS limita la cantidad del medicamento que SCAN Retiree Group - LACERS cubrirá. Por ejemplo, SCAN Retiree Group - LACERS proporciona 30 comprimidos por receta para ramelteon. Esto puede ser un surtido adicional al suministro estándar de un mes o de tres meses.

Usted puede averiguar si su medicamento tiene algún requisito o límite adicional en el formulario que comienza en la página 20. También puede obtener más información sobre las restricciones que se aplican a los medicamentos cubiertos específicos en nuestro sitio web. Hemos publicado un documento donde se explica nuestra restricción de autorización previa. Además, puede solicitarnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en las páginas de portada y contraportada.

Puede solicitar a SCAN Retiree Group - LACERS que realice una excepción para estas restricciones o estos límites o para una lista de otros medicamentos similares que puedan tratar su afección médica. Consulte la sección, “¿Cómo solicito una excepción para el Formulario de SCAN Retiree Group - LACERS?” en la página 15 para obtener más información sobre cómo solicitar una excepción.

¿Qué sucede si el medicamento que necesito no se incluye en el Formulario?

Si el medicamento que necesita no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicios para Miembros y preguntar si su medicamento está cubierto.

Si le informan que SCAN Retiree Group - LACERS no cubre su medicamento, tiene dos opciones:

- Puede solicitar a Servicios para Miembros una lista de medicamentos similares que estén cubiertos por SCAN Retiree Group - LACERS. Cuando reciba la lista, muéstresela a su médico/a y pídale que le recete un medicamento similar que esté cubierto por SCAN Retiree Group - LACERS.
- Puede solicitar a SCAN Retiree Group - LACERS que realice una excepción y cubra su medicamento. Consulte a continuación para obtener más información sobre cómo solicitar una excepción.

¿Cómo solicito una excepción para el Formulario de SCAN Retiree Group - LACERS?

Puede solicitar a SCAN Retiree Group - LACERS que realice una excepción en nuestras normas de cobertura. Existen diferentes tipos de excepciones que puede pedirnos que hagamos.

Fecha de la última actualización del formulario 6/1/2025

- Puede pedirnos que cubramos un medicamento incluso si no figura en nuestro formulario. Si se aprueba, este medicamento estará cubierto a un nivel de compartición de costo predeterminado y no podrá pedirnos que proporcionemos el medicamento a un nivel de gastos compartidos inferior.
- Puede pedirnos que no apliquemos una restricción de cobertura que incluya una autorización previa, un tratamiento escalonado o un límite de cantidad para su medicamento. Por ejemplo, para ciertos medicamentos, SCAN Retiree Group - LACERS limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede pedirnos que no apliquemos el límite y que cubramos un monto mayor.
- Puede pedirnos que cubramos un medicamento del formulario a un nivel de gastos compartidos más bajo, a menos que el medicamento se encuentre entre los medicamentos de especialidad. Si se aprueba, esto disminuiría el monto que debe pagar por su medicamento.

Por lo general, SCAN Retiree Group - LACERS solo aprobará su solicitud de una excepción si los medicamentos alternativos incluidos en el formulario del plan, el medicamento con menor gasto compartido o la aplicación de la restricción no resultaran tan eficaces para usted ni provocaran efectos adversos.

Usted o la persona autorizada a dar recetas deben comunicarse con nosotros para solicitar una excepción de nivel o formulario, incluida una excepción a una restricción de cobertura. **Cuando solicite una excepción, la persona autorizada a dar recetas deberá explicarle los motivos médicos por los que necesita la excepción.** Por lo general, debemos tomar una decisión en un plazo de 72 horas después de recibir la declaración de apoyo de su recetador/a. Puede solicitar una decisión acelerada (rápida) si cree, y estamos de acuerdo, que su salud podría verse gravemente perjudicada si espera hasta 72 horas por una decisión. Si estamos de acuerdo, o si la persona autorizada a dar recetas solicita una decisión rápida, debemos comunicarle una decisión en un plazo máximo de 24 horas después de recibir la declaración de apoyo de la persona autorizada a dar recetas.

¿Qué puedo hacer si mi medicamento no está en el formulario o tiene una restricción?

Como miembro nuevo o actual de nuestro plan, es posible que esté tomando medicamentos que no estén en nuestro formulario. O bien, puede estar tomando un medicamento que está en nuestro formulario, pero que tiene una restricción de cobertura, como una autorización previa. Debe hablar con la persona autorizada a dar recetas sobre solicitar una decisión de cobertura para demostrar que cumple con los criterios de aprobación, cambiar a un medicamento alternativo que cubramos o solicitar una excepción al formulario para que cubramos el medicamento que toma. Mientras usted y su médico/a determinan el curso de acción correcto para usted, podemos cubrir el medicamento en ciertos casos durante los primeros 90 días tras convertirse en miembro de nuestro plan.

Para cada uno de sus medicamentos que no estén en nuestro formulario o que tengan una restricción de cobertura, cubriremos un suministro temporal de 30 días si no se encuentra en un centro de atención médica a largo plazo, o un suministro de 31 días si es residente de un centro de atención médica a largo plazo. Si su receta está escrita por menos días, permitiremos resurtidos para proporcionar un suministro máximo de medicamentos para 30 días si no se encuentra en un centro de atención médica a largo plazo o un suministro de medicamentos para 31 días si es residente de un

Fecha de la última actualización del formulario 6/1/2025

centro de atención médica a largo plazo. Si no se aprueba la cobertura, después primer suministro para 30 días, si no se encuentra en un centro de atención médica a largo plazo, o un suministro para 31 días si es residente de un centro de atención médica a largo plazo, no pagaremos por estos medicamentos, incluso si ha sido miembro del plan por menos de 90 días.

Si es residente de un centro de atención médica a largo plazo y necesita un medicamento que no está en nuestro formulario, o si su capacidad para obtener sus medicamentos es limitada pero pasó los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia de ese medicamento para 31 días mientras solicita una excepción del formulario.

Si es un miembro actual que se está cambiando a un nivel de atención diferente, es probable que le receten medicamentos que no están en nuestro formulario o que su capacidad para obtener los medicamentos sea limitada. En estos casos, tiene que hablar con su médico/a sobre los tratamientos alternativos adecuados que se encuentran disponibles en nuestro formulario. Si no hay tratamientos alternativos adecuados en nuestro formulario, usted o su médico/a pueden solicitar una excepción y pedirle al plan que cubra el medicamento o quite las restricciones del medicamento. Mientras habla con su médico/a para determinar el curso de acción, es elegible para recibir un suministro del medicamento para 30 días, si está pasando de un centro de atención médica a largo plazo o de una hospitalización a su hogar, o un suministro de transición del medicamento para 31 días, si está pasando de una hospitalización o de su hogar a un centro de atención médica a largo plazo.

Para obtener más información

Para obtener información más detallada sobre su cobertura para medicamentos con receta de SCAN Retiree Group - LACERS revise su Evidencia de cobertura y el resto de los materiales del plan.

Si tiene preguntas sobre SCAN Retiree Group - LACERS, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en las páginas de portada y contraportada.

Si tiene preguntas generales sobre su cobertura de Medicare para medicamentos con receta, llame a Medicare al 1-800-MEDICARE (1-800-633-4227), las 24 horas del día, los 7 días de la semana. Los usuarios de TTY deben llamar al 1-877-486-2048. O visite <http://www.medicare.gov>.

La tabla a continuación enumera lo que pagará como su parte de los costos de los medicamentos con receta cubiertos en las farmacias de nuestra red cuando se encuentre en la Etapa de cobertura inicial.

El gasto compartido preferido es más bajo que el gasto compartido que pueda tener disponible para ciertos medicamentos cubiertos de la Parte D en determinadas farmacias de la red. Para obtener más información, visite nuestro directorio de farmacias en línea donde se pueden realizar búsquedas en www.scanhealthplan.com o llame a Servicios para Miembros. Nuestra información de contacto aparece en las páginas de la cubierta del frente y del dorso.

Consulte la Evidencia de cobertura para obtener información sobre los costos en farmacias para cuidado a largo plazo (LTC) y farmacias fuera de la red.

Si recibe “Ayuda adicional”, su parte del costo para medicamentos con receta cubiertos puede variar según el nivel de “Ayuda adicional” que reciba. Para obtener más información sobre los costos de los medicamentos, consulte la “Cláusula adicional LIS”.

SCAN Retiree Group - LACERS (HMO):

Nivel del medicamento	Nombre del nivel		Minorista y de pedido por correo			
			Preferida		Estándar	
			Suministro para 30 días	Suministro para 100 días	Suministro para 30 días	Suministro para 100 días
1	Medicamentos genéricos preferidos		\$5	\$10	\$10	\$20
2	Medicamentos genéricos		\$5	\$10	\$10	\$20
3	Medicamentos de marca preferidos	Insulina	\$20	\$40	\$20	\$40
		Otros medicamentos	\$20	\$40	\$20	\$40
4	Medicamentos no preferidos		\$20	\$40	\$20	\$40
5	Medicamentos de especialidad		25%	N/C	25%	N/C
No pagará más de \$20 por un suministro para un mes, ni más de \$40 por un suministro para tres meses, de cada producto de insulina cubierto por nuestro plan, sin importar en qué nivel de costo compartido se encuentre. No pagará más de \$35 por un suministro para un mes, ni más de \$105 por un suministro para tres meses, de cada producto de insulina cubierto por una determinación de cobertura, apelación o transición. La mayoría de las vacunas para adultos de la Parte D están cubiertas por nuestro plan sin costo alguno para usted.						

Formulario de SCAN Retiree Group - LACERS

El formulario que comienza en la página 20 proporciona información sobre la cobertura de los medicamentos cubiertos por SCAN Retiree Group - LACERS. Si no encuentra el medicamento en la lista, vaya al Índice que comienza en la página 63.

En la primera columna de la tabla aparece el nombre del medicamento. Los medicamentos de marca están en mayúscula (p. ej., JANUVIA) y los medicamentos genéricos aparecen en minúscula y cursiva (p. ej., *metformina*).

La información en la columna de Requisitos/limitaciones le indica si SCAN Retiree Group - LACERS tiene algún requisito especial para la cobertura de su medicamento.

- El símbolo [PA] indica que aplica una autorización previa.
- El símbolo [B vs D] indica que este medicamento puede estar cubierto por la Parte B o la Parte D de Medicare según las circunstancias. Es posible que tenga que enviar información describiendo el uso y entorno del medicamento para realizar la determinación.
- El símbolo [QL] indica que las cantidades suministradas son limitadas. Para ver el límite de cantidad para los medicamentos del formulario con límites de cantidad, vaya a la página 58.
- El símbolo [LD] indica que aplica una distribución limitada. Es posible que este medicamento con receta esté disponible solo en ciertas farmacias. Para obtener más información, consulte con su Directorio de farmacias o llame a Servicios para Miembros al 1-800-559-3500 (los usuarios de TTY deben llamar al 711), de 8:00 a.m. a 8:00 p.m., los 7 días de la semana, del 1 de octubre al 31 de marzo. Del 1 de abril al 30 de septiembre, el horario es de 8:00 a.m. a 8:00 p.m., de lunes a viernes (los mensajes recibidos en días feriados y fuera del horario de atención se responderán en el plazo de un día hábil). También puede visitar www.scanhealthplan.com.
- El símbolo [EDS] indica que este medicamento está disponible para un suministro extendido (p. ej., un suministro para más de 30 días) con el servicio de pedido por correo y en muchas farmacias minoristas.

Additional Covered Drugs

Your plan has additional coverage for the prescription drugs listed below. These prescription drugs are not normally covered in a Medicare Prescription Drug Plan. The amount you pay when you fill a prescription for these drugs does not count towards your out of pocket drug costs (that is, the amount you pay does not help you qualify for catastrophic coverage). In addition, if you are receiving extra help to pay for your prescriptions, you will not get any extra help to pay for these drugs.

Drug Name	Drug Tier	Requirements/Limits
Nombre del medicamento	Nivel	Requisitos/limitaciones
ERECTILE DYSFUNCTION		
<i>sildenafil tabs 25mg, 50mg, 100mg (generic for Viagra)</i>	1	[QL] (4 tablets per 30-day supply with a maximum of 49 tablets per year)
PRESCRIPTION VITAMINS		
<i>cyanocobalamin inj 1000 mcg/ml (vitamin B12)</i>	1	
<i>ergocalciferol caps 1.25mg (50,000 units) (vitamin D2)</i>	1	
<i>folic acid tabs 1 mg (vitamin B9)</i>	1	

Medicamentos adicionales cubiertos

Su plan tiene cobertura adicional para los medicamentos con receta que se enumeran a continuación. Estos medicamentos con receta normalmente no están cubiertos en un plan de medicamentos con receta de Medicare. El monto que paga cuando surte una receta para estos medicamentos no cuenta para el costo de sus medicamentos que paga de bolsillo (es decir, el monto que paga no le ayuda a calificar para la cobertura catastrófica). Además de esto, si recibe ayuda adicional para pagar sus medicamentos con receta, no recibirá ayuda adicional para pagar estos medicamentos.

Nombre del medicamento	Nivel del medicamento	Requisitos/limitaciones
DISFUNCIÓN ERÉCTIL		
<i>sildenafil, comprimidos de 25 mg, 50 mg, 100 mg (genérico de Viagra)</i>	1	[QL] (4 comprimidos por suministro para 30 días con un máximo de 49 comprimidos por año)
VITAMINAS CON RECETA		
<i>cianocobalamina, inyectable de 1000 mcg/ml (vitamina B12)</i>	1	
<i>ergocalciferol, cápsulas de 1.25 mg (50,000 unidades) (vitamina D2)</i>	1	
<i>ácido fólico, comprimidos de 1 mg (vitamina B9)</i>	1

SCAN Health Plan complies with applicable federal civil rights laws and does not discriminate, exclude people, or treat them differently on the basis of, or because of, race, color, national origin, age, disability, or sex. SCAN Health Plan provides free aids and services to people with disabilities to communicate effectively with us, such as qualified sign language interpreters, and written information in other formats (large print, audio, accessible electronic formats, other formats). SCAN Health Plan provides free language services to people whose primary language is not English, such as qualified interpreters and information written in other languages. If you need these services, contact SCAN Member Services.

If you believe that SCAN Health Plan has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance in person, by phone, mail, or fax, at:

SCAN Health Plan
Attention: Grievance and Appeals Department
P.O. Box 22616
Long Beach, CA 90801-5616

SCAN Member Services
PHONE: 1-800-559-3500
FAX: 1-562-989-0958
TTY: 711

Or by filling out the “File a Grievance” form on our website at:

<https://www.scanhealthplan.com/contact-us/file-a-grievance>

If you need help filing a grievance, SCAN Member Services is available to help you.

You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights, electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at:

U.S. Department of Health and Human Services
200 Independence Avenue, SW
Room 509F, HHH Building
Washington, D.C. 20201
1-800-368-1019 (TTY: 1-800-537-7697)

Complaint forms are available at <https://www.hhs.gov/civil-rights/filing-a-complaint/index.html>.

You can also file a civil rights complaint with the California Department of Health Care Services, Office of Civil Rights by phone, in writing, or electronically:

- By phone: Call 1-916-440-7370. If you cannot speak or hear well, please call 711 (Telecommunications Relay Services).
- In writing: Fill out a complaint form or send a letter to:
Deputy Director, Office of Civil Rights
Department of Health Care Services
Office of Civil Rights
P.O. Box 997413, MS 0009
Sacramento, CA 95899-7413
Complaint forms are available at http://www.dhcs.ca.gov/Pages/Language_Access.aspx.
- Electronically: Send an email to CivilRights@dhcs.ca.gov

SCAN Health Plan cumple con las leyes de derechos civiles federales vigentes y no discriminan, excluyen ni tratan a las personas de forma diferente por su raza, color, nacionalidad, edad, discapacidad o sexo. SCAN Health Plan ofrece recursos y servicios gratuitos a personas que tienen dificultades para comunicarse, como intérpretes de lenguaje de señas calificados e información escrita en otros formatos (letra grande, audio, formatos electrónicos accesibles, etc.). SCAN Health Plan ofrece servicios lingüísticos gratuitos a personas cuyo idioma principal no es el inglés, como intérpretes calificados e información escrita en otros idiomas. Si necesita estos servicios, comuníquese con Servicios para Miembros de SCAN.

Si cree que SCAN Health Plan no le ha proporcionado estos servicios o le ha discriminado por su raza, color, nacionalidad, edad, discapacidad o sexo, puede presentar un reclamo personalmente, por teléfono, por correo o por fax:

SCAN Health Plan
Attention: Grievance and Appeals Department
P.O. Box 22616
