SCAN Classic (HMO) and SCAN Balance (HMO SNP) are HMO plans with Medicare contracts. Enrollment in SCAN Health Plan depends on contract renewal. You must continue to pay your Medicare Part B premium.

Copay/coinsurance may vary by plan and county or depending on the pharmacy you choose (e.g., Preferred or Standard, etc.) or whether you receive a one-month or a three-month supply or when you enter another phase of the Part D benefit or if you receive "Extra Help." You can fill your prescriptions at any of our network pharmacies, but you may pay less at a Preferred pharmacy. Check your Evidence of Coverage or call SCAN Member Services for details.

You can get prescription drugs shipped to your home through our network mail-order delivery program. Express Scripts Pharmacy is our Preferred mail order pharmacy. While you can fill your prescription medications at any of our network mail order pharmacies, you may pay less at the Preferred mail order pharmacy. Typically, you should expect to receive your prescription drugs within 14 days from the time that Express Scripts mail-order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact SCAN Health Plan's Member Services. For your mail order prescriptions, you have the option to sign up for an automatic refill program by contacting Express Scripts Pharmacy at 1-866-553-4125, 24 hours a day, 7 days a week. TTY users call 711. You may opt out of automatic deliveries at any time.
