SCAN Compass (HMO) is an HMO plan with a Medicare contract. Enrollment in SCAN Health Plan depends on contract renewal. You must continue to pay your Medicare Part B premium.

You won't pay more than \$35 for a one-month supply and no more than \$105 for a three-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on. Most adult Part D vaccines are covered by our plan at no cost to you. For more information, please refer to your "Drug List" (Formulary). If you have questions about the Drug List, you can also call Member Services. Prescription copay/coinsurance may vary by plan, county, pharmacy type (e.g., Preferred or Standard, etc.), day supply, Part D benefit phase, or in members who receive "Extra Help." You can fill your prescriptions at any of our network pharmacies, but you may pay less at a Preferred pharmacy. Check your Evidence of Coverage or call Member Services for details (phone numbers for Member Services are printed on the back cover of your Evidence of Coverage).

You can get prescription drugs shipped to your home through our network mail-order delivery program. Express Scripts PharmacySM is our Preferred mail-order pharmacy. While you can fill your prescription medications at any of our network mail-order pharmacies, you may pay less at the Preferred mail-order pharmacy. Typically, you should expect to receive your prescription drugs within 14 days from the time that Express Scripts mail-order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact SCAN Health Plan's Member Services. For your mail-order prescriptions, you have the option to sign up for an automatic refill program by contacting Express Scripts Pharmacy at 1-866-553-4125, 24 hours a day, 7 days a week. TTY users call 711. You may opt out of automatic deliveries at any time.
