The SCAN Story

SCAN, a not-for-profit health plan, was founded in 1977 by seniors, for seniors. More than forty years later, seniors are still at the heart of all we do. You can count on SCAN to keep you healthy and independent for years to come. That's been our mission since day one.

Solutions for Independence

In addition to the core benefits and extra services described inside, SCAN knows that sometimes our members need a little more care to stay independent in their own homes for as long as possible, so we've included these special benefits in your plan to help you do just that.

SCAN Respite Care Services*

Providing a short-term break from the demands of caregiving, SCAN offers respite care for full-time, unpaid caregivers caring for SCAN members.

- Up to 40 hours per year (4-hour minimum per visit) in the member's home where the primary care giving takes place.

SCAN Returning to Home*

Extra help at home after a hospital stay can mean all the difference in your recovery. SCAN is there for you with:

- \$0 personal in-home care visits (bathing/dressing, etc.) up to 40 hours per year – 4-hour minimum per visit
- \$0 home-delivered meals up to 28 days per year
- \$0 telephonic personal support services

SCAN Home Advantage

As you age you want the confidence that your home can safely support your changing needs. SCAN provides you with a:

SCAN Plus (HMO) is an HMO plan with a Medicare contract. Enrollment in SCAN Health Plan depends on contract renewal. You must continue to pay your Medicare Part B premium.

Copay/coinsurance may vary by plan and county or depending on the pharmacy you choose (e.g., Preferred or Standard, etc.) or whether you receive a one-month or a three-month supply or when you enter another phase of the Part D benefit or if you receive "Extra Help." You can fill your prescriptions at any of our network pharmacies, but you may pay less at a Preferred pharmacy. Check your Evidence of Coverage or call SCAN Member Services for details.
